

Dear Neighbours:

SUBJECT: OCSCC1008 (Crème) Social Committee

We are writing to seek your interest in creating and joining a Crème Social Committee.

The purpose of the Crème Social Committee will be to further enhance our Crème Community through social activities and events while fostering a sense of community spirit.

At Crème we are very fortunate to have our centre courtyard, a large gazebo and beautiful community gardens; a perfect location for social gatherings and community events.

It is a place where we can meet and host in-person events and engage with neighbours as we experienced earlier this fall in collaboration with our neighbours of OCSCC1005.

The role of the Crème Social Committee will be to organize and help with community events and activities on our own or in collaboration with OCSCC1005. Such events could include but are not limited to:

- Block parties
- Garage sales
- Holiday celebrations
- Community picnics
- Community clean-up days

Increasing community events and activities helps to create a positive community culture by bringing neighbours together, it acts as a communication channel with residents, and creates a lively and close-knit community which will be especially beneficial for our new residents.

Our Social Committee will develop an annual social calendar of events for our community. You can choose to help with all or even just one of the events as your interests and time permits. Meetings can be held either in person or virtually and should only require a minimal amount of your time. As a member of our Social Committee you will feel a sense of pride and accomplishment as we will be bringing our community closer together and we will be creating something fun.

If you are interested in being a member of the Crème Social Committee please send an email to the generic Board of Director's email at [ECPcondos@gmail.com](mailto:ECPcondos@gmail.com).

We look forward to hearing from you and can't wait to hear your great ideas....so let's get the parties started, the more the merrier.

Sincerely  
Your Board of Directors
